

To Parents and Players,

Welcome to the 2010-2011 PTBA Basketball season. This year's season will begin in October and conclude in late January. We plan to use the gym time we have available in late September and early October for clinics and open gyms. In addition, travel team tryouts will take place in late September.

Once the in-house and travel teams have been formed, most games and practices will primarily be held at Penn Middle and Trafford Middle schools. However, we will also have gym time at various other area gyms including, Community UM Church in Harrison City, Turtle Creek Rec Center, and others.

Grade level coordinators names and numbers are listed on the PTBA website www.ptba38.com. Please contact the appropriate coordinator or your child's coach if a problem arises. Also available on the PTBA website are In-house Team Schedules, league bylaws, rules of conduct, Zero Tolerance Policy, and general game rules. Each level will provide a more detailed set of rules prior to the season. For your information we have broken down this year's fees by age group.

2010 - 2011 Sign-up Fees

Uniforms (average cost)	\$14.00
Equipment	\$4.00
Insurance (Liability)	\$2.00
Security	\$6.00
Officials	\$34.00
Awards	\$5.00
Facilities	\$25.00
<hr/>	
Total	\$90.00

These costs are very much in line with previous years. We have worked hard to try to keep them as low as possible while maintaining a quality basketball program.

If anyone gives to United Way through work or at home consider designating funds to go towards Penn-Trafford Area Recreation Commission (PTARC) to assist us in keeping sign up fees at current levels. The code for PTARC is 929445. PTARC receives 100% of your donation.

Thank You:

The PTBA Board
